U.S. Magistrate Judge

I am writing to object to my Lawyer Mr. Louis Watson & Mr. Norris withdrawing from my case 3:12-cv-00388-CWR-LRA for the following reasons.

1. I do not want him to do anything my way as I do not know the laws.
2. I have only offered things that I felt would help my case, like both the state of S.C. and the state of Mississippi Unemployment Offices has ruled I was let go for no cause.
3. I was told by Mr. Watson a few months back that they offered \$2,000 in which he wanted \$900 of . I told him that was not a fair offer.
4. On or about April 23, 2013 Mr. Watson told me he had asked for \$5,000 but that the company would not pay so he was putting in a motion to withdraw.
5. I want my lawyers help and I feel like he did at first, that this is a good case, so I need his help to see this in court.

So I respectfully ask you to reconsider the motion to withdraw on case # 3:12 cv-00388-CWR-LRA as I am not a lawyer and feel that my lawyer is only withdrawing due to the money not the right of the law. Thank you for your time in this matter and I look forward to your reply. May God Bless and keep you safe.

Sincerely
